SCHEDA TECNICA

Struttura: in legno massello, con molleggio incrociato a cinghie elastiche con diversa componente di caucciù. Imbottitura in poliuretano espanso a quote differenziate e rivestimento in vellutino bianco. Schienale per movimento in ferro verniciato con bombature in espanso a quote differenziate e rivestimento in fibra di poliestere accoppiata con poliuretano di forte spessore.

Cuscino seduta: trapuntino in vera piuma canalizzata e ipoallergenica con inserto in poliuretano espanso con bombatura a quote differenziate. Sagomato con macchina a 3 assi e lavorato poi posteriormente per potersi adattare al movimento dello schienale.

Cuscino schienale: imbottito a scomparti in Piumafib, una speciale miscela ipoallergenica di vera piuma e fibra di poliestere siliconata cava. Questi sono dotati di meccanismo con fermo meccanico in grado di poter trasformare la seduta da relax a conversazione (65cm / 85 cm).

Rivestimento: in tessuto completamente sfoderabile o in pelle naturale non sfoderabile. Cuscino Schienale e Cuscino Seduta sfoderabili in entrambe le versioni.

Piede: in fusione di alluminio lucido h 12 cm.

Structure: in solid wood, with springing and elastic belts with different rubber components. Padding in differentiated-density polyurethane foam and white velvet coating. Backrest for movement in painted iron with bulges in differentiated density foam and covering in polyester fiber coupled with thick polyurethane.

Seat cushion: quilt made of real canalized and hypoallergenic feather with polyurethane foam insert with differentiated thickness. Shaped with a 3-axis machine and then worked at the back to be able to adapt to the movement of the backrest.

Back cushion: padded with compartments in Piumafib, a special hypoallergenic mixture of real down and siliconed hollow polyester fiber. These are equipped with a mechanism with mechanical stop that can transform the sitting from relaxing to conversation (65cm / 85cm).

Cover: in completely removable fabric or in non-removable natural leather. Back and Seat Cushion with removable covers in both versions.

Foot: in polished aluminum casting h 12 cm.
